# ACADEMICS

With our teachers trained at the DPS HRD Centre, New Delhi, education at our institute isn't limited to the classroom. It happens throughout campus each and every day through student activities.

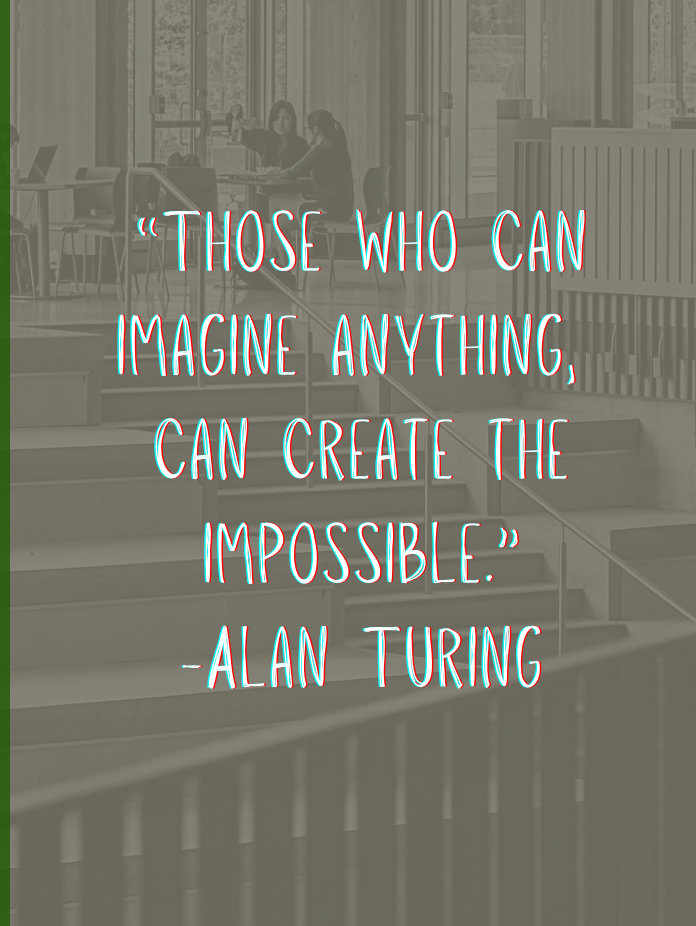

We follow the CBSE curriculum from class Pre-Nursery to XII and the medium of instruction followed is English. At the Class XI & XII level, we offer a choice of 3 streams: Humanities, Commerce, & Science.

We follow a system of continuous assessment where the academic success of each student is determined by their performance in examinations conducted throughout the academic year.

At the end of each term, comprehensive reports are shared with the parents/guardians.

Trinity Classes

We understand the use of digital technology in the delivery of educational content and put emphasis on e-learning habits, with all our classrooms equipped with smart classes.

We foster our students' love for learning, encourage them to try new and exciting things, and give them a solid foundation to build on.
